

May 2020

Dear Neighbor,

As you would be aware, many nations are in a mandated isolation due to COVID-19. On Memorial Day May 25. I am planning to sound Taps at 3 PM after all Americans observe a minute of silence for the National Moment of Remembrance. It would be fitting to remember those who died in service to our country as well as those who have died of the COVID-19 virus and also to honor those who are on the front lines battling the disease

This short event is sponsored by Taps For Veterans.

We are encouraging residents to stand in their driveways at this time to show their support. You are urged NOT to gather in any one place.

I really hope you can join us and take a moment to reflect.

We may be isolated, but we can still be united on Memorial Day at 3 PM for our National Moment of Remembrance

Thank-you

Sincerely,
